A NEW LOOK!

Hello to everyone! You may have noticed a few changes and a brand new look for The Police Polygraphist. A few months ago, Roger Butler handed the reins of this journal and digest to me. As you know, he was our outstanding AAPP editor since 2010 and oversaw some major changes and improvements during that time. In 2014, he facilitated the movement of the journal from hard copy to electronic format. He laid the foundation for all of the enhancements I hope to bring to this publication in the future. Thank you Roger for all of your hard work and dedication to AAPP!

In this edition and in future publications, you will see updates and added resources that we hope you will find useful. Each quarter, don't forget to read the Editor's Comments.

In the introduction, I will point out some of the new things scattered throughout the issue. This quarter, you will find additional hyperlinks and shortcuts to email addresses, links to specific AAPP forms, and links to other pages within the issue. Just look for the text that is underlined and blue.

I am especially excited to be able to use some new visual effects and beautiful photography in this magazine. Bob Heard and Adam Rembisz (cover page photo) donated many of their own beautiful photographs. I also obtained license-free photos from Unsplash. Unsplash provides a platform for thousands of photographers throughout the world to donate their work to the public. I encourage you to take a look at their [website](#) if you want to see some amazing work.

Please enjoy this edition of The Police Polygraphist and don't hesitate to contact me with any news, upcoming classes, or topics you'd like to see in the future.

Sincerely,

Maria

Raymond D. Inglin

April 24, 1927 - June 21, 2016

[Link to Obituary](#)

We recently became aware of the 2016 passing of a very special member and Past President of AAPP. In his honor, we asked Dr. Antonio Barrio to share a few words about Ray Inglin.

"Ray was the first President elect of AAPP. The first year, Bill [Taylor] was self appointed by the Founders as President, myself as Board Chair, and Johnny as Secretary. The second year we all again got "appointed" by acclamation and I nominated the remaining members of the Board...Dee Wheeler, etc.

Ray was the first ELECTED President since neither of the original self appointed wanted to run for office in fear of making a clique and wanted all members to participate and have a chance

to direct our association. Ray was instrumental in bringing members from the West coast, just as Bill and I had done for Texas and the South and Dick Arthur did for the Northeast.

I met Ray during an educational tour I had at the Los Angeles Police Academy in 1977, just after we had formed AAPP and sort of recruited him for our new organization and invited him to our seminar in Texas, where he came and was elected. I was proud to nominate him for the job and I am sure he ran unopposed. ;

Ray was a soft spoken, deliberate professional. He told me once that he had dual citizenship (Swiss) because of his wife being from there. Ray had used a legal maneuver to increase the efficiency of polygraph. What he did was to attach a sound to the GSR so when the pen went up the buzzing became louder and the examinee sort of "Knew" he had been caught. I wonder what happened to that polygraph instrument after he left LAPD?

Anyhow; he treated me like royalty, took me to the exclusive LAPD Police Athletic League Club in LA (just for Big Shots) and I had caviar on an ice bowl (taste like rotten fish) but anyhow, first time (and last) I had caviar.

Sorry to see him pass. May he rest in peace."
- Dr. Antonio Barrio.

We ask that you join us in honoring Ray Inglin's life as well as his contributions to this organization. We are keeping his family in our thoughts and prayers.

Twenty-Third Psalm

The Lord is my shepherd; I shall not want.
He maketh me to lie down in green pastures;
He leadeth me beside the still waters. He
restoreth my soul; He leadeth me in the
paths of righteousness for His name's sake.
Yea, though I walk through the valley of
the shadow of death, I will fear no evil: for
Thou art with me; thy rod and thy staff they
comfort me. Thou preparest a table before
me in the presence of mine enemies: Thou
anointest my head with oil, my cup runneth
over. Surely goodness and mercy shall follow
me all the days of my life: and I shall dwell
in the house of the Lord forever.

*H*appy Fall everyone! I hope this message finds each of you well and enjoying the cooler temperatures and beautiful Fall colors. We are gearing up for deer hunting season in my neck of the woods and then the hectic holiday season. As usual it is a very busy time of the year.

CHAIRPERSON

By the time you receive this journal, there will be several changes on the website that I hope you take a moment

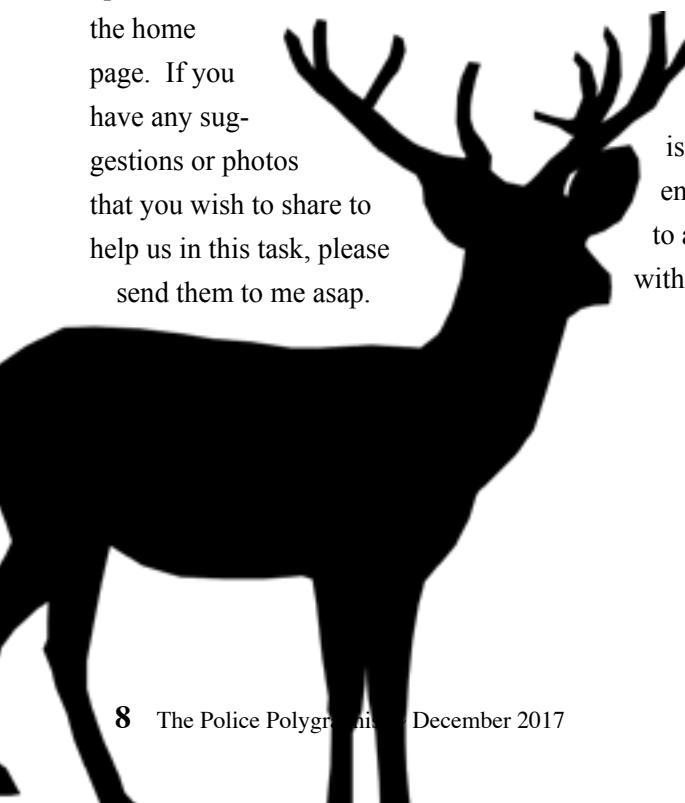

to look at. One that I hope you enjoy is the Members Only photo gallery [Photo Gallery](#).

You can log in and upload photographs into this gallery. We invite you to upload any AAPP photographs that you have taken over the years. The instructions are on the website and it is quite easy. It must be noted that any photographs that are objected to by any other member will be removed for the security and privacy of our members.

As you know, we are working behind the scenes to tidy up the website since it moved over to the new platform.

There will be more changes to the home page coming in the near future. Region III Director Adam Rembisz is currently shooting new polygraph related photographs to help us update

the home page. If you have any suggestions or photos that you wish to share to help us in this task, please send them to me asap.

In addition to the changes to the home page, we will be making changes to the journal. You will now be able to read it from an email link or pdf file,

page for AAPP. In working with our new editor, Maria Soupley, we are working out details of the changes to come in the future and she is full of ideas and ambition.

I believe that you will be very pleased with the changes, and we look forward to hearing your comments.

no longer making it necessary to login to our website to view it. This will be explained in the next group mail when the journal is ready to be viewed. As usual, we will be putting a pdf copy on the Members Only area, and we will be sending a pdf copy to the school directors for easier access for their students. We look forward to the changes and we hope you do too.

We have a new board and as we look to the future, I will be stepping off the board as Chairman in June 2018 when President Jim Wardwell assumes that position. At the mid-year meeting of the board in Kentucky, President Wardwell

appointed me with a new position on the board as the Communications Director. This is a non-voting board position enacted by Jim. I am very happy to accept it and continue working with the website and the Facebook

pending with our current webmaster RJ Sandlin who has been faithful to AAPP for many years. As she gets ready to retire, we will be interviewing new webmasters and contracts in the new future. RJ told us almost 2 years ago that she was ready to retire and wanted to help us rebuild the website before she took a long needed break. We are very grateful for her hard work and devotion to AAPP over the years and she will be hard to replace.

I wish to remind members that the 2018 scholarship award applications will be accepted until February 15th. All of the information is on the [website](#).

Until next time, I hope you get a big buck and have a fun and safe hunting season!

~Karen

New Britain Police Department

Dear AAPP Membership, I send you warm and sincere greetings as we begin to close out a very successful 2017. I do hope this message finds you well.

This has been a terrific year for the AAPP and polygraph. The growth and strength of the AAPP is largely due to you; the membership of the AAPP. As your president, I cannot be more proud of the great work you continue to do in polygraph. Our association's mission embraces advances in science and techniques. To this end we put on the highest levels of training each year. Attendance at these conferences has been steadily climbing which is indicative of you, the AAPP membership continuing to want to stay current and informed. You have shown that AAPP members place a high priority on training with a great focus on improving our discipline. You define excellence by committing to training and always applying the latest research to your polygraph exams.

The AAPP Board of Directors recently concluded our mid-year Board Meeting in Louisville Kentucky. As you know our 2018 Conference will

PRESIDENT

be held in Louisville the first week of June 2018. Please register via our website and get your hotel room reserved quickly. The setting in Louisville is exciting. First, [the Galt House hotel](#) offers a terrific venue for training. The conference space is fresh and comfortable. The layout offers great opportunities for our Conference Chair, Cory Kramer, to always have several training choices at any one time. That is exactly what Cory has done. The 2018 AAPP conference published agenda shows Cory

has brought in the best topics and instructors for the week. Cory continues to fine tune the agenda, but we can agree the training opportunities will be excellent. Nicely done Cory!

The Galt House offers mini-suites as its standard room, so spread out and relax during the week. This historic hotel is located on the bank of the Ohio River and within walking distance of numerous restaurants, pubs, shops, and other points of interest. Louisville is a vibrant city with so much to offer. Due to this, we have decided to maximize your opportunities to experience the city during the week. After a great deal of consideration the Board of Directors has decided to move our annual awards banquet to a luncheon that will immediately follow our annual Board Meeting on Wednesday. This frees up Thursday night for a group outing. So, the AAPP will be going to the races on Thursday night. We have contracted with Churchill Downs to get you into a prime reserved seating area for evening racing on Thursday. The AAPP will be providing the membership transportation and entry into Churchill Downs.

If you have never been to this gem in American sports, it is well worth the visit. We could not think of a better way to end our week together than having such a fun and unique outing.

To sum it up, 2018 will bring the most exciting conference to date. It will set a new bar for the AAPP, but I do not see that as a problem, because each year we always seek ways to bring you the very best.

There is so much to be excited about

“The AAPP will be going to the races on Thursday night. We have contracted with Churchill Downs...”

right now in the AAPP. First, take a look at this new Journal. Our new Editor, Maria Soupley, has brought so many new ideas to the forefront already. At our recent Board Meeting Maria presented new and innovative plans for the Journal and so much more. Maria's ideas and expertise, along with Karen Clark's ever improving website capabilities combine to greatly improve our ability to deliver the latest information about polygraph and the association to you. Over the next one to two years you will see these ideas implemented as the AAPP continues to keep its focus on you - our membership.

I want to share with you the following: I have chosen not to seek another term as the AAPP President. I have served three terms and have advised the Board in 2018 I will not seek a fourth term. My decision has no negative component. I have loved serving as your president and could

not be more proud to have had the opportunity to lead such a terrific organization. Looking back over the last three years I see the AAPP has grown in so many ways. There were some hard decisions made, but with every decision, the AAPP grew and moved forward. I consider myself especially privileged to have been allowed to serve you. Thank you all for that. Our Vice President, Derek Piasecki, has indicated he will run for president in 2018. I fully support Derek and have the highest level of confidence in him. Derek has been an outstanding Vice President and works so very hard for the AAPP. Derek will continue to bring great ideas and terrific leadership to the AAPP. Our fu-

ture is very bright!

I do look forward to seeing you in Louisville Kentucky next June, but until then please stay in touch. If you want contact me with a question, a concern, or if you just want to say hello, please drop a line. My contact information is as follows: Jim Wardwell, New Britain Police Department, 10 Chestnut Street, New Britain CT 06051. 860-826-3112. Email – aapp-president@policepolygraph.org

Greetings from the Midwest. I hope all is well with everyone. I want to start off by offering thoughts and prayers to all those who were injured, lost loved ones, or were affected in any way in Las Vegas. The attack at an event that was meant to bring fun and joy to the attendees was senseless and cowardly.

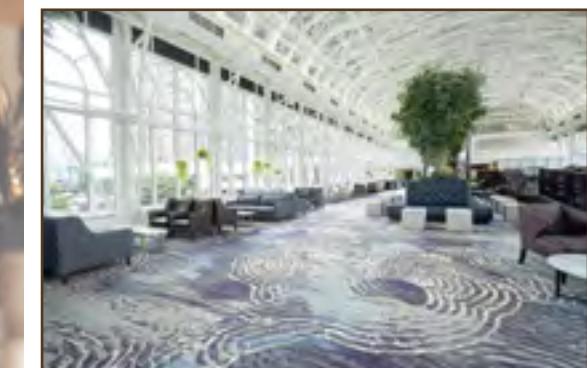

Have you checked your Membership Status? If we voted you in as an Intern Member but you have since become qualified for Active Membership, please let me know. If you are an examiner who has been out of

polygraph school for at least six months and have completed all of their requirements and have conducted a minimum of fifty exams, you likely qualify for Active Membership now. This is very important to do before our conference in Louisville. Only Active Members can vote at our annual meeting. Upgrading your AAPP membership is a very easy process and there are no fees attached. Please use the [Membership Upgrade](#) form we have on the AAPP website or print the copy on the [next page](#) to accomplish this. I will be more than happy to help anyone

The National Office Manager is responsible for association management, answering phones and emails to address membership questions and inquiries, and processing online orders for the annual seminar and membership dues daily. The NOM works closely with the AAPP board members and officers.

Since the last Annual Meeting at the Houston Marriott Westchase in April 2017, the following tasks were completed:

- In Q2 2017, the NOM sent out a list of open invoices for members with outstanding dues owed for the 2016, 2017, or 2016 & 2017 year in the hopes of cleaning up the membership list in preparation for printing a hard copy directory
- The final phase of the new website was completed
- The Board reviewed a new proposal for a CPA in Illinois and voted to stay with Clark, Schaeffer and Hackett in Ohio
- Submitted necessary paperwork to Clark, Schaeffer and Hackett to complete and file the 2016 990
- Worked with RJ and team to add a new "last modified date" to online membership reports to help determine members who have made changes to their own accounts and allow HQ to update QuickBooks

Accounting/Finance

AAPP operates on a calendar year ending on December 31. From January 1, 2017 through August 31, 2017:

- AAPP has received \$197,766

The National Office Manager team is currently working to update the QuickBooks database with all updated member information according to the website member report. Additionally, following multiple follow ups, any member with unpaid 2016 & 2017 dues will be marked as "inactive" and will not receive an invoice for 2018 membership dues.

MONEY
MATTERS

Gordon W. Moore
Treasurer
Las Vegas Metro Police
Department (NV)
g8655m@lvmpd.com

*Don't
forget to pay
your dues*

Photo by Didier Weemaels

First and foremost, I will quote from our Bylaws G.3 specifically regarding Membership and Dues. "...Any member not having paid dues by March 31st will be considered delinquent and be mailed a second notice by the National Office Manager. Any member not having paid dues or any special assessment by the opening of the Annual Meeting will be dropped from membership. The National Office Manager will notify the Treasurer of delinquency. After review, if necessary the treasurer shall direct the Secretary to drop the person from the roster and all mailing lists..."

Please note that we need to "clean up our books," so I have directed AAPP Secretary Bob Heard (aappsec-secretary@aol.com) or PO Box 552, Yucaipa, CA 92399-0552) to drop all members who have failed to pay their dues in the last 2 years pursuant to AAPP Bylaws G.3.

I am as guilty as the next person of letting "things slip through the cracks." So, if you know of anyone who has (for whatever reason) been delinquent regarding their dues, please advise them of the aforementioned information. Please take note that we are giving a 2 years leniency rather than following the letter of the Bylaw which dues, as stated above, must be paid by "the opening of the Annual Meeting."

We have completed our midyear meeting in Louisville, KY. I can share with you first hand that Region 5 Director Cory Kramer and "Boots on the Ground" Bob Ennis are diligently working on an excellent education oriented conference with respected guest instructors. A great time (educational and comradery) will be had by all, specifically noting that we will be trying something new.

Yes, Cory and Bob have set up our awards banquet to be held on Wednesday during an AAPP sponsored luncheon from 1130 to 1330 hours instead of the normal Thursday night awards banquet. Then on Thursday evening, they have scheduled a trip to the one and only Churchill Downs for some nighttime horse racing. AAPP is scheduled to sponsor the transportation and entry fee. AAPP is not scheduled to sponsor the food, beverage and/or wagering on this evening, so please plan accordingly.

AAPP utilizes the CPA services of Clark, Schaefer, Hackett & Company in Springfield, Ohio. They have issued a statement that our 2016 calendar year's Profit and Loss Statement, as well as other pertinent financial matters, are in conformity with the generally accepted accounting principles in accordance with Statement on Standards of Accounting and Review Services issued by the American Institute of Certified Public Accountants.

Now, I would be remiss if I did not mention one critical incident which occurred in Las Vegas, Nevada on October 1st, 2017; one of which we all know is among the most tragic, senseless and cowardly acts of violence to occur. Proudly, out of what is such a devastating situation, emerges bravery, courage, compassion, unity and "Vegas Strong" from our first responders, every day citizens (whether local or tourist), community businesses/leaders and those who assist us from afar. I do not know who the actual author is of the story shown on the following page; however, I do know it came from one of our fellow brothers/sister responding on that unforgettable night.

My thoughts/prayers will join yours for our fellow brothers/sisters for personal strength and resolve as well as to all of those killed, wounded or otherwise affected.

Till next time – save and spend wisely as well as enjoying life.

Gordon

FROM A LAS VEGAS POLICE OFFICER
(Author Unknown)

I am home after an 18.5 hour shift. And yes, I am safe. I can't tell you how much I appreciate the calls, texts, Facebook messages... even from people I almost never talk to or haven't talked to in years. It's always a huge comfort to know people care. If I haven't responded, please know that I am fielding a lot of these calls from family and friends, and doing the best I can. I'm super exhausted so bear with me... a little about the incident:

The first 7 hours went pretty much like every other shift goes. Then while I'm sitting there eating my much anticipated Chipotle on my lunch break, radio broadcast... active shooter at the Mandalay Bay Hotel. For the next 11 hours, we all experienced a number of things. Stress and anxiety were among the most common emotions. Listening to the radio while we were headed towards the Mandalay Bay, listening to the stress in my partners' voices, listening to them shouting about how many victims they saw, the fact that shots were still being fired. The chaos of not knowing where the shots were coming from, or who was shooting them. The fact that it was a fully automatic weapon, machine-gun style....

Whoever this was, he outguns us. Hearing gun shots on the radio while my partners were asking for help, knowing you are still miles away, is nothing that any cop wants to ever experience. On arrival we moved in on foot, still not knowing where the shots were coming from. Learning vague details from numerous panicked 911 callers... some of them saying there were multiple shooters in the Tropicana Hotel, New York New York Hotel, Mirage Hotel, Paris Hotel... the ongoing radio traffic about more victims being found, more shots being fired... Even that didn't compete with the faces of people running away. The citizens and tourists we all swore to protect, running for their lives, hoping that we could give them a miracle. And of course the frustration we get when people question you... "Why do I have to leave?" "But my hotel is that way." "Why are you yelling at me to put my hands up? That's not very nice." "Why are you pointing rifles at me? That's scary." The herding dogs get frustrated with the sheep who don't want to listen. That's why the Sheepdog has to bite the sheep, growl at the sheep, essentially scare the sheep into submission, for their own good. Because some just don't know how to save themselves. Some don't know or understand the magnitude of what is unfolding. Now the most deadly active shooter incident in modern American history, and I try to save your life and rush you to safety, and the Sheepdogs, herding the sheep to safety, are criticized for their "aggression." But all those negatives are forgotten when you find a crying, terrified family sheltered in place inside a bathroom stall. When you get to guide a horrified mother and her crying child to safety.

But even that... even that does not compare to the most powerful, and to me one of the most important aspects of this whole thing. The bravery and courage of first responders that only we get to witness and fully understand. The fact that one of my co-workers was on vacation tonight, heard what was happening, and suited up at home and came with us to fight the wolf. In my 12-man unit, only 9 of us were "on duty" - the other 3 came from home when they heard what was unfolding. At the end of the day, we fight side by side, and we go in together. Unfortunately, we don't always all make it out, and today, an LVMPD police officer who was off duty attending the concert, was among those who tragically did not make it out of the festival alive. Today I will honor that Officer, along with the more than 50 people who died. Today I will think of their families and friends, who now have to learn how to go on without their loved one. And today I will ask you, for one day, to put your politics aside. Forget about Donald Trump. Forget about the NFL. Forget about whether you should stand or kneel. Forget about our differences in opinion when it comes to policing in America, and how cops treat their communities. Let's come together as a UNITED nation, and honor the victims and their families. Let's come together as a UNITED nation and honor the first responders who worked incredibly long and stressful shifts, without food, water, or even bathroom breaks. If you wonder how cops view the communities they police, consider the fact that so many of them came in today, off duty, to help. Not because it's a job, but because it's their calling. It's who they are.

The sheep don't always want the sheepdog around, because he reminds them there is evil in the world. But, still, the sheepdog is willing to fight in defense of the sheep, and at a moment's notice, he is willing to lay down his own life for the sheep he loves. It is simply who he is.

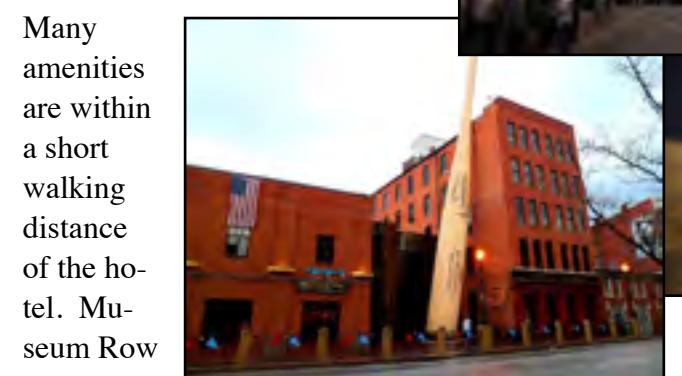

2018 Annual Seminar

LOUISVILLE, KY

Photo by Mikael Kristenson

Our 2018 Annual Seminar is right around the corner! This year, it will be in Louisville, KY from June 3, 2018 to June 8, 2018. Registration on our [website](#) is now open at the early bird rate.

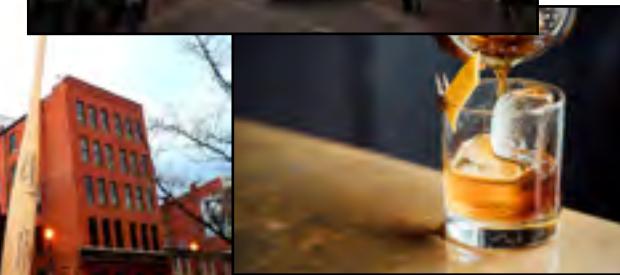

Our host hotel is the Galt House with executive suites available at a negotiated room rate of \$120 per night + tax/fees. Parking will be available for \$10 per night and airport shuttle service for the short six-mile trip is available through the hotel at very competitive rates. See the AAPP [website](#) for additional hotel and shuttle information.

Many amenities are within a short walking distance of the hotel. Museum Row is located just west of the Galt House featuring multiple attractions including the Muhammad Ali Center, Louisville Slugger Factory and Museum, Kentucky Museum of Art and Craft, Kentucky Science Center, and the Frazier International History Museum all within four blocks of the hotel. Whisky Row nearby on Main Street features multiple distilleries/tours including the

Evan Williams Bourbon Experience, Jim Beam Urban Distillery, Old Forester Distillery, Angels

Envy Distillery, and others. Many restaurants are located within a few blocks along Main Street, Market Street, and within the Fourth Street Live entertainment and retail complex. Other entertainment options including Louisville Bats baseball, Louisville FC soccer, riverboat tours aboard the Belle of Louisville, and others are also located within an easy walking distance of the host hotel.

The Sunday night President's Reception and Tuesday night event will both be held in the Archibald Ballroom, with indoor and outdoor space offering ample room for everyone to enjoy. As you will notice on the [seminar schedule](#), things have been

changed up significantly for our awards ceremony. A Wednesday afternoon lunch ceremony immediately following the business meeting will replace the normal Thursday evening banquet. This allows us the opportunity

to incorporate an off-site event on Thursday evening. We are currently finalizing plans for our membership to attend a live horse racing event at the historic Churchill Downs. Bus transportation and admission to a reserved area track side will be provided.

Check out the [website](#) for all of the up to date information. Looking forward to seeing all of you there!

Greetings from Region One!

We are busy planning and preparing for the upcoming seminar in Region V – Louisville, Kentucky. It is going to be another memorable event!

As announced at the Business Meeting, the 2019 Seminar will be held at The Atlantis Hotel in Reno, Nevada. We are very excited about this location. The rooms, dining options, state-of-the-art meeting facilities, and services are exceptional. It is conveniently located approximately seven-miles from the airport. The local police agencies are excited to host our group and support our mission. Check it out at <https://www.atlantiscasino.com/>

The Reno-Tahoe area is enjoying a remarkable season of growth, which makes the timing of our event even more exciting. The economy has been expanding because of investments by companies such as Tesla, Panasonic, Amazon and Google. This has led to enhanced retail and dining experiences, as well as increased air service. All of this means better accessibility and entertainment.

Every few months, I distribute emails to the Region I membership. This is to communicate messages from the organization and to solicit information to be shared with other members. If you are reading this, and did not receive the email(s), please contact me, or the AAPP National Office Manager (nom@policepolygraph.org), to update your information. You may also update your profile information at the AAPP website: look for the “Edit Member Info” link on the left side of the Home Page. It is important to ensure that your profile is accurate, because that is our way of communicating with you and for other members to find you.

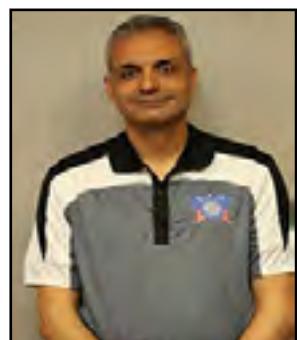

Have a wonderful holiday season and be safe!

Greetings to all!

I hope everyone is doing well, had a wonderful summer, is having great fall season and is looking forward to the upcoming winter and holiday season.

The Michigan Association of Polygraph Examiners (MAPE) will be hosting Mr. David Moran, from the University of Michigan Innocence Clinic, at the November general membership meeting. He will be speaking on the subject matter of "False Confessions." It appears that the issue of false confessions has been a recent hot topic of discussion and studies for polygraph and law enforcement, in general. I am interested in knowing what other states are experiencing regarding that issue.

I'm excited and looking forward to seeing all of you at the 2018 Conference in Louisville, KY. It's a great city with many great things to do. At our last Board of Director's midyear meeting in late September, we had the opportunity to tour the city and the site hotel, the Galt House. I was very impressed with the Galt

House and what the city has to offer for our conference. There is also going to be a lineup of very dynamic speakers. For further information regarding the 2018 conference, please logon to policepolygraph.org. My hat goes off to our Region V Director, Cory Kramer, for doing an exceptional job organizing, what is going to be, another successful conference.

Feel free to contact me at any time if there are any personal spotlights, regional events, any news or other polygraph issues you would like to pass along for any upcoming journal.

As always, it's a pleasure and an honor for me to serve as your Region II Director. Stay safe!

First thing I want to do is extend condolences to the families and friends of the Las Vegas shooting. I know that there is very little that I can say or do to reduce the pain but I will remain praying for all the lives lost that day. I will also continue to pray for the first responders who had to endure the horrors that will permanently be engrained in their minds.

I want to congratulate Christopher Chute who just recently was promoted to Deputy Chief at the New Britain Police Department after climbing the promotion ladder all that was from a young police explorer. Chris graduated from Texas DPS in 2003

and shortly thereafter became a member of the AAPP. Chris has de-

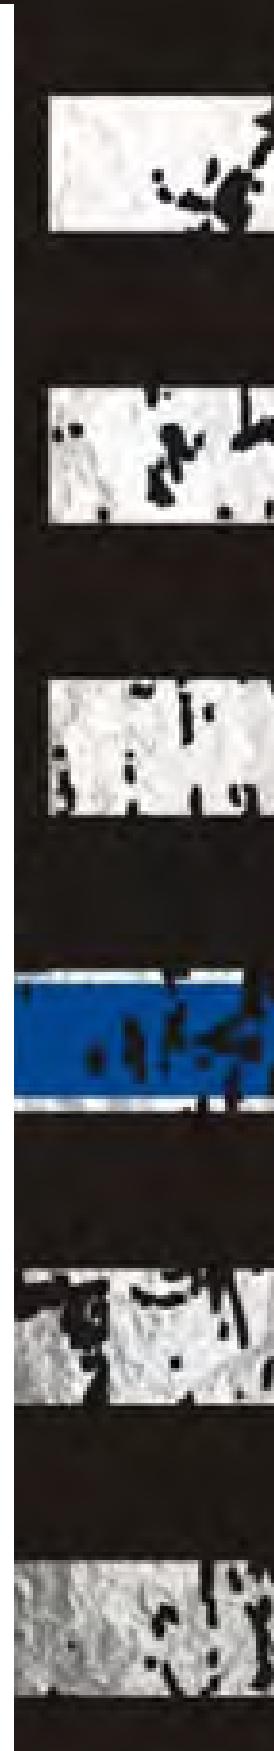

veloped into one of the top examiners in the State of Connecticut over the years getting numerous confessions on important cases from child abuse, sex assaults to homicides. Most importantly Chris has mentored not only myself but other polygraph examiners in the State of Connecticut making sure that no one was left behind. To add to his milestones and full plate Chris has also recently opened his own private polygraph business Innovative Detectives. Please join me in

Hello folks,

I would like to welcome new members from Region 4 to AAPP. We appreciate those of you and know that you will find the training and camaraderie beneficial and rewarding.

To those that have been members, I know that you will join me lending a hand to the new members and making them feel welcome. Please contact me regarding any regional news or needs.

The **New Mexico Polygraph Training Seminar** will be held on February 1-3, 2018 in Albuquerque, NM. Donnie Dutton will be presenting the APA approved training for this seminar. For registration or if you have any questions contact Jim Gallagher at VVLJG@yahoo.com.

The **Texas Association of Law Enforcement Polygraph Investigators** will hold their annual training June 18-22, 2018 in San Antonio, TX. A New Examiner Boot Camp will be offered at this training. If you have any questions contact Board President, Robert Young at their website: www.talepi.com.

If you have any training information, don't hesitate to let me know so that we can get the information out to the membership.

Folks I am beyond excited about the upcoming AAPP Conference, June 3-8, 2018 in Louisville,

KY. I had the opportunity to visit the facility and see some of the area attractions a few weeks ago. A ton of work has gone into this conference and I can tell ou that you will thoroughly enjoy what has been planned. If you want some of the best training in polygraph, join us in Louisville.

I had a recent conversation with a few examiners at the CAPE conference and we discussed how we each need to continue to challenge ourselves in our abilities and for our profession. That means having a trusted person or persons that we can bounce ideas or information off of in order to get different perspectives. Let's all strive to put the best product forward in all that we do. "*As iron sharpens iron, so one person sharpens another.*" Proverbs 27:17 NIV

I want to say a special thank the membership for the support you have offered the Houston, Texas area and to all those affected by the flooding and Hurricanes. Many of you have sent funds and provided many resources to those that have been suffering. We continue to have folks in this country and Latin America that are experiencing tough times. This association depicts the resiliency of it's members and the willingness to offer a lending hand are not taken for granted.

~Bobby

The mid-year board meeting was held in early October at the Galt House Hotel in Louisville where most of the planned activities and the seminar schedule were finalized. It gave us a chance to further explore the area within walking distance of the hotel, which is rich with eateries, sightseeing venues, and entertainment. The seminar schedule is posted on our association website and will continue to be updated if/when any changes are made. Everything is shaping up nicely for this to be an outstanding event! For further details, check out our [2018 Seminar section](#) on page 36.

The deadline for Regional Directors Award nominations is quickly approaching. This award is usually given to a member within the respective region for work on a significant case or for noteworthy contributions to polygraph. We have numerous talented examiners within our association who are doing great polygraph related work every day and we want to recognize these efforts. If you know an individual, team, unit, etc. deserving of this award please forward your nomination to your regional director as soon as possible.

I look forward to seeing everyone at the seminar in Louisville scheduled for June 3-8, 2018.

A History of Lie Detection

Paul Trovillo

Published in 1939 in the *American Journal of Police Science*.

In one of the papyrus Vedas written about 900 B. C. there are specific instructions for detecting poisoners by their behavior, and thus it would seem that poisoners, at least, were hunted out with some care:

"A person who gives poison may be recognized. He does not answer questions, or they are evasive answers; he speaks nonsense, rubs the great toe along the ground, and shivers; his face is discolored; he rubs the roots of the hair with his fingers; and he tries by every means to leave the house . . ."⁵

*** WHO IS WILLIAM "BUDDY" SENTNER**

Special Agent Buddy Sentner, a 44 year old AAPP member, was shot and killed in the Tallahassee Federal Correctional Institution while serving arrest warrants on six federal corrections officers on June 21st, 2006. As agents served the warrants in the lobby, one of the six corrections officers opened fire with a weapon he had smuggled into the prison. Agent Sentner returned fire while he shielded the other agents in the room from the gunfire. Before he was fatally shot in the chest, Agent Sentner's shots fatally wounded the assailant. A corrections lieutenant, who assisted the agents serve the warrants and make the arrests, was also shot and wounded by the assailant. The other five corrections officers were taken into custody. Agent Sentner had served in law enforcement for 17 years. He was assigned to the U.S. Department of Justice - Office of the Inspector General, Orlando Field Office. He had formerly served as a special agent with the United States Secret Service and as an officer with the United States Secret Service Uniformed Division.
